

Create UI To Interact with Application

Date	16.11.2022
Team ID	PNT2022TMID45932
Project Name	Smart Fashion Recommender Application

Create UI to interact with the application:

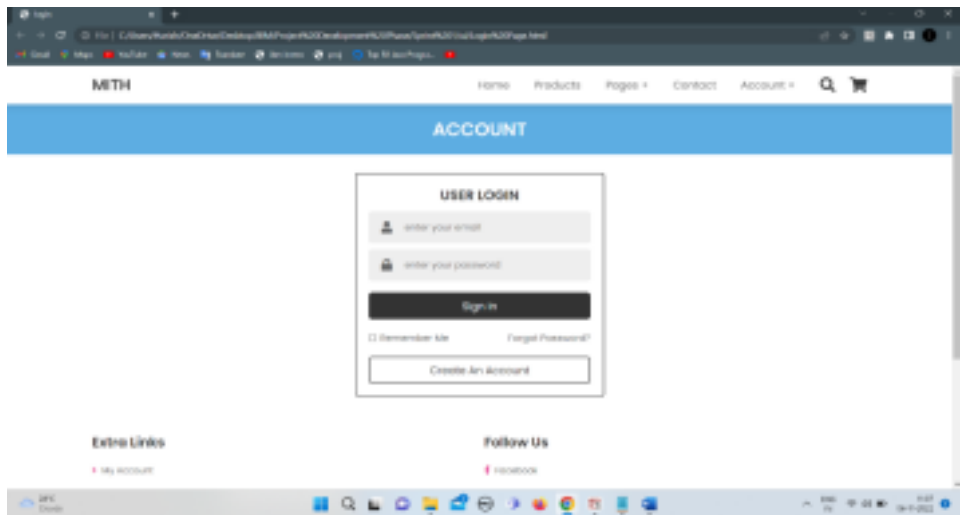

- Registration Page
- Login Page
- View products page
- Add products page

Register.html

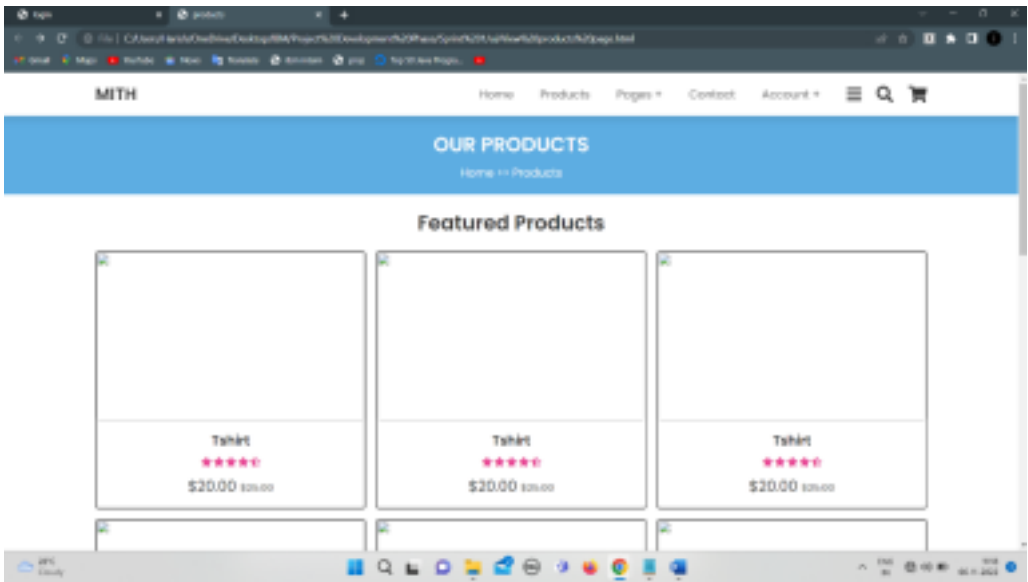

The screenshot displays a web browser window with the URL `file:///C:/Users/Student/OneDrive/Desktop/SmartFashionRecommender/2022FashionRecommender/Registration/2022/register.html`. The website header includes the logo 'MITH' and navigation links: Home, Products, Pages +, Contact, and Account +. A blue banner at the top of the main content area reads 'ACCOUNT'. Centered on the page is a 'REGISTER NOW' form with the following fields: 'enter your name', 'enter your email', 'enter your password', and 'confirm your password'. Below these fields are two buttons: 'Sign Up' and 'Already Have An Account'. The browser's taskbar at the bottom shows the system clock as 11:01 on 16-11-2022.
